

This is a message sent via Neighbourhood Watch. This information has been sent on behalf of Thames Valley Police

This is a message on behalf of Angela Money BEM, Chair of Newbury and Thatcham Neighbourhood Watch.

The next Neighbourhood Watch Meeting is being held on Monday 21 August 2017 at 7.30 pm in West Berkshire Council Offices, Market Street, Newbury and there will be an interesting talk by Susan Powell, Building Communities Together Team Manager speaking about Building Communities Together.

Representatives from the Police and Fire Service will also be attending to give crime updates and both will be available to answer any questions. If you have any particular issues that you would like comments on, please let Angela know so that they can do some research and report back at the meeting.

There will be refreshments, a raffle, crime prevention literature and a handout giving various information worth passing on to your neighbours. I have attached the minutes of the last meeting to this message and also details about the discounts available to us.

Just a reminder that there is parking close by and the evening charge is £2 in the car parks but there is free parking in the parking bays after 6.00 pm (closest is Bartholomew Street and Cheap Street).

Angela can be contacted via her e-mail address: ajmy5m7@inbox.com or by phoning Newbury 40866.

A further meeting has been arranged for 20 November. Can you please make a note of this date in your diary. For security reasons and as the Security person has to check round the building at regular intervals, the main door to West Berkshire Council Offices will be locked at 7.45 pm so please arrive by 7.30 pm.

I will have some Members Guides and Stickers available at the meeting but the Guides can be downloaded via the Thames Valley Neighbourhood Watch Association website: <http://www.tvnhwa.org.uk/downloads.php> and can be forwarded on to your neighbours. Anyone is welcome to attend this meeting, so please come along and bring any neighbours or friends, as it is important to have a good attendance for the speakers and I do appreciate your support.

We are also having a Neighbourhood Watch stand at the Police Open Day at Sulhamstead on Saturday 5 August 2017. We will have a limited supply of literature and stickers but if you require anything specific, please let me know and I shall ensure that we have them available for you to collect.

Very many thanks.
